Perfect World

Ace Of Base

They say the time has come for us to start again
I believe that's true
They say the time has come for us to make amends
And I believe that too
Why tell me why is it all so hard to find?
I pray each day
For a perfect world
Where children are laughing
Lovers romancing, time stands still
A perfect world
There's nothing to cry for
No on to die for wonderful in a perfect world
Our father's father says, that things were better then
How easy they forget on every page in every book of history
A thousand tears were shed
There's hope in our hearts and love in our eyes
Day after day I keep searching

Why tell me why is it all so hard to find?
I pray each day
For a perfect world
Where children are laughing
Lovers romancing, time stands still
A perfect world
There's nothing to cry for
No on to die for wonderful in a perfect world
Travel across the seven seas to be with you
Passion and desire will see me through
The road that I must travel will wind and curl
You're all I ever needed in a perfect world
Perfect world
(Passion and desire to be with you)
Perfect world
(Nothing to cry for, no one to die for perfect world)
