

# Goodbye Girl

## David Gates

All your life you've waited  
For love to come and stay  
And now that I have found you  
You must not slip awayI know it's hard believing  
The words you've heard before  
But darlin', you must trust them  
Just once more'Cause, baby, goodbye doesn't mean forever  
Let me tell you, goodbye doesn't mean  
We'll never be together againIf you wake up and I'm not there  
I won't be long away  
'Cause the things you do my goodbye girl  
Will bring me back to youI know you've been taken  
Afraid to hurt again  
You fight the love you feel for me  
Instead of givin' inBut I can wait forever  
For helpin' you to see  
That I was meant for you  
And you for meSo remember, goodbye doesn't mean forever  
Let me tell you, goodbye doesn't mean  
We'll never be together againThough we may be so far apart  
You still would have my heart  
So forget your past my goodbye girl  
'Cause now you're home at last
