

Any Day Now

Luther Vandross

Any day, you'll be gone, oh yeah
Any day, you'll be goneAny day now
I will hear you say goodbye my love
Then you'll be on your way
Then my wild beautiful bird, you will have flown
Any day now, I'll be all alone
I know that, hey, I know thatAny day now
When the clock strikes go, you'll call it off
And then my tears will flow
Then the blue shadows will fall all over town
Any day now, love will let me down
Cause you won't be around
No baby now, yeahI know I shouldn't want to keep you
If you don't want to stay
Until you're gone forever
I'll be holding on for dear life
Holding you this way
And I'm begging you to stayAny day now
When your restless eyes meet someone new
And to my sad surprise
Then the blue shadows will fall all over town
Any day now, I won't last for long
Cause any day, you'll be gone
Then any day, you'll be gone
I know, I know thatYou'll be gone, you'll be gone, you'll be gone
Yeah, mercy, any day now
Any day, you'll be gone
Mercy, yeah
Any day, you'll be gone
