## The Carpenters

Long ago, and, oh, so far away  
I fell in love with you before the second show  
Your guitar, it sounds so sweet and clear  
But you're not really here, it's just the radio  
Don't you remember, you told me you loved me baby?  
You said you'd be coming back this way again baby  
Baby, baby, baby, baby, oh baby  
I love you, I really do  
Loneliness is such a sad affair  
And I can hardly wait to be with you again  
What to say to make you come again?  
Come back again and play your sad guitar  
Don't you remember, you told me you loved me baby?  
You said you'd be coming back this way again baby  
Baby, baby, baby, baby, oh baby  
I love you, I really do  
Don't you remember, you told me you loved me baby?  
You said you'd be coming back this way again baby  
Baby, baby, baby, baby, oh baby  
I love you, I really do
