

Hungry For Love

Di-rect

Days confused
My heart's abused
I wake up alone
I see coffee cups and washing up
Reality is homeMy head is spinning so fast
Will this hangover pass
I don't want to be lonely
You left the world from above
And I believe that no heart
Is meant to find someoneHungry for love
And tired of frustration
Thirsty for something else
I'm empty inside, I need a sensation
Falling completely out of myselfLife amaze
I'm lost today
I'm blowing away
How do you find your destiny
Is there anybody out thereSo now I'm driving to fast
Hear the radio blast
All the worries from my head
Feel like I'm losing control
Looks like I'm ready to go
Yes I'll find someoneHungry for love
And tired of frustration
Thirsty for something else
I'm empty inside, I need a sensation
Falling completely out of myselfOoo... nothing could be better
Than taking all the missing pieces
And make this picture last foreverYeahheayeahhh...
Hungry for love
And tired of frustration
Thirsty for something else
I'm empty inside, I need a sensation
Falling completelyOooo.. Hungry for love
And tired of frustration
Thirsty for something else
I'm empty inside, I need a sensation
Falling completely out of myselfYeahheayeahhh yeahh..
I'm hungry for love now..

Yeahheayeahhh yeahh..
I'm hungry for love, I'm out of time..
Yeahheayeahhh yeahh..
Yeahheayeahhh yeahh..
