Bombz

Lo-Pro

There's always something
To bring me down
There's always nothing
To lift this cloudThere's never much of anything
And no one around
There's never much of anything
And no one aroundStill I'm heading them off
Until I've had enough
I feel like I'm losing my grip
I'm slipping, but I know I will, I willThere must be something more to this
There has to be something more I missed
The bombz keep falling
On my headStill I'm heading them off
Until I've had enough
I feel like I'm losing my grip
I'm slipping, but I know I willI will keep heading them off
Until, until I've had enough
I will keep heading them off
Until, until I've had enough
