

# World of Her Own

## The Wake

I'll try to tell you everything  
Well, I think you should know  
One day she'll be leaving you  
For a world of her own Your world is like an empty room  
With friends who come and go  
One day she'll be leaving you  
For a world of her own Yes I'm sure  
Tomorrows tend to be too late to  
change your ways  
Yesterdays are easier to imitate  
At last you'll have your chance to be  
Alone  
At least she's living in a  
World of her own
