Don't Hold Back (Radio Edit) [feat. Cari]

NoMosk

Where do we go from here
I don't know
Wasting your time in fear
So afraid to let your feelings show
The moment I press play
You rewind
Pulling yourself away
So damn scared of what you may find
Love me
Don't hold back
Breathe in deep
Or forever keep holding your breath
It's time you realize
That we're running out of time
So just love me
And don't hold back
Don't hold back
Why are you so afraid
To let go
It's better to feel some pain
Then forever spend your time alone
There'll be a day I won't
Be around
So overcome your fears
And take me to a higher ground
Where we find love
