

Some Velvet Morning (Duet with Lee Hazlewood)

[Nancy Sinatra](#)

Some velvet mornin' when I'm straight
I'm gonna open up your gate
And maybe tell you 'bout Phaedra
And how she gave me life
And how she made it end
Some velvet mornin' when I'm straight
Flowers growing on a hill, dragonflies and daffodils
Learn from us very much, look at us but do not touch
Phaedra is my name
Some velvet mornin' when I'm straight
I'm gonna open up your gate
And maybe tell you 'bout Phaedra
And how she gave me life
And how she made it end
Some velvet mornin' when I'm straight
Flowers are the things we know, secrets are the things we grow
Learn from us very much, look at us but do not touch
Phaedra is my name
