Daylight Again

Crosby, Stills & Nash

Daylight again
Following me to bed
I think about a hundred years ago
How my fathers bled
I think I see a valley
Covered with bones in blue
All the brave soldiers that cannot get older
Been asking after you

Hear the past a calling
From Armageddon's side
When everyone's talking and no one is listening
How can we decide?
Do we find the cost of freedom
Buried in the ground?
Mother Earth will swallow you
Lay your body down
