Holdinâ€™ Out

The Lumineers

Singing to myself
Singing for the neighbours
Holdin' on for work
Holdin' on to paperI was on the left
You were only fading
I was on my own
Starin' at the ceiling
Hold, holdin' outRead it on a map
Never how I planned it
Holdin' on for work
Taking it for grantedI was looking up
I was being blinded
Holdin' on for work
Hopin' that I'd find itI was looking up
Holding on to patience
Counting up the days
Days that I'd been waitingYou can take your time
I'll be on the front porch
Keepin' on the light
You can see it if you look for itI would lie awake at night
Hopin' that one day I'd run
I had waited all my lifeI was holdin'
Holding you
Holding
Waited for you
Waited for
