## Burial

Holding you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Loving you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Kissing youHolding you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Loving you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Kissing you  
Tell me I belong, tell me I belong, tell me I belongHolding you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Loving you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Kissing you  
Tell me I belong, tell me I belong, tell me I belongHolding you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Loving you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Kissing you  
Tell me I belong, tell me I belong, tell me I belongHolding you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Loving you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Kissing you  
Tell me I belong, tell me I belong, tell me I belongIt's not why I trust you, trust, if I trust you  
If I trust you, if I trust you, if I trust you  
If I trust you, if I trust you, if I trust you  
If I trust you, trustTell me, I belong  
Holding you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Loving you  
Couldn't be alone, couldn't be alone, couldn't be alone  
Kissing you  
Tell me I belong, tell me I belong, tell me I belong

Holding you, holding you, holding you
