

How Many Chances

Little Texas

I know I might
Be way out of line here
But I can't stand by
Watch you cry another tear
'Cause that man you're mad about
Went Fooling around
And let you down again
I can't take the thought of you
Taking him back in
How many chances is he gonna get?
How many roses
Have to be sent?
How many lonely nights?
How many flimsy alibis
To you have enough of him
Just give up on him
And get on with your life?
How many chance chances
is he gonna get
Before I get mine?
I don't know how
Someone can look at you
Not think about
How much is tends to loose
If it were up to me
Girl, you'd never be
Lonely sad or hurt
Your broken heart still be apart
Is not what you deserve
How many chances is he gonna get?
How many dozen roses
have to be sent?
How many lonely nights?
How many flimsy alibis
To you have enough of him
Just give up on him
And get on with your life?
How many chances
Is he gonna get
Before I get mine?
