Love You Like A Love Song

Reed Deming

Everything's cool, yeah
It's all gonna be okay, yeah
And I know, maybe I'll even laugh
About it someday
But not today, no
'Cause I don't feel so good
I'm tangled up inside
My heart is on my sleeve
Tomorrow is a mystery to me
And it might be wonderful
It might be magical
It might be everything I've waited for
A miracle, oh, but even if I fall in love
Again with someone new
It could never be the way I loved you
Letting you go
Is making me feel so cold, yeah
And I've been trying
To make believe it doesn't hurt
But that makes it worse, yeah
See, I'm a wreck inside, my tongue is tied
And my whole body feels so weak
The future may be all I really need
And it might be wonderful, yeah
It might be magical, uh oh
It might be everything I've waited for
A miracle, oh, but even if I fall in love
Again with someone new
It could never be the way I loved you
Like a first love, the one and only true love
Wasn't it written all over my face, yeah
I loved you like you loved me
(Oh)
Like something pure and holy
Like something that can never be replaced
And it was be wonderful
It was magical
It was everything I've waited for
A miracle and if I should ever fall in love

Again with someone new
Oh, it could never be the way
No, it will never be the way I loved you
