

# Love You Like A Love Song

Reed Deming

Everything's cool, yeah  
It's all gonna be okay, yeah  
And I know, maybe I'll even laugh  
About it someday  
But not today, no  
'Cause I don't feel so good  
I'm tangled up inside  
My heart is on my sleeve  
Tomorrow is a mystery to me  
And it might be wonderful  
It might be magical  
It might be everything I've waited for  
A miracle, oh, but even if I fall in love  
Again with someone new  
It could never be the way I loved you  
Letting you go  
Is making me feel so cold, yeah  
And I've been trying  
To make believe it doesn't hurt  
But that makes it worse, yeah  
See, I'm a wreck inside, my tongue is tied  
And my whole body feels so weak  
The future may be all I really need  
And it might be wonderful, yeah  
It might be magical, uh oh  
It might be everything I've waited for  
A miracle, oh, but even if I fall in love  
Again with someone new  
It could never be the way I loved you  
Like a first love, the one and only true love  
Wasn't it written all over my face, yeah  
I loved you like you loved me  
(Oh)  
Like something pure and holy  
Like something that can never be replaced  
And it was be wonderful  
It was magical  
It was everything I've waited for  
A miracle and if I should ever fall in love

Again with someone new  
Oh, it could never be the way  
No, it will never be the way I loved you
