

# Check The Meaning

## Richard Ashcroft

When I'm low, and I'm weak, and I'm lost  
I don't know who I can trust  
Paranoia, the destroyer, comes knocking on my door  
You know the pain drifts to days, turns to nights  
But it slowly will subside  
And when it does, I take a step, I take a breath  
And wonder what I'll findCan you hear what I'm saying?  
Got my mind meditating on love, love  
Feel what I'm saying  
Got my mind meditating on love, love(Check the meaning)Too much blood, too much hate, turn off the set  
There's got to be something more  
When Mohammed, Allah, Buddah, Jesus Christ  
Are knocking down my door  
I'm agnostic getting God, but man  
She takes a female form  
There's no time, no space, no law  
We're out here on our ownCan you hear what I'm saying?  
Got my mind meditating on love, love  
Feel what I'm saying  
Got my mind meditating on love, love(Check the meaning  
(The human condition)  
Check the feeling  
(The human condition)Guess it's life, doing it's thing  
Making you cry, making you think  
Yeah life, dealing it's hand  
Making you cry and you don't understand  
Life, doing it's thing  
Making you cry now, making you think of  
Pain, doing it's thing  
Making you cry yeah, making you singDon't say it, don't say it's too late  
Don't, don't say it's too late (It's never too late, it's never too late)  
Don't, don't say it's too late (It's never too late)  
Don't, don't say it's too lateThe human condition, the big decisions  
The human condition, the big decisionsI'm like a fish with legs, I fell from the tree  
I made a rocket (check the meaning), I made a wheel  
I made a rocket (check the feeling), I swam the ocean (check the meaning)  
I saw the moon (say a prayer), I seen the universe (and beyond)  
I see you (check the feeling), I see me (check the meaning)  
That's my reality

And while the city sleeps we go walkingIt's a beautiful world  
And when the city sleeps we go walking  
We find a hole in the sky and then we start talking  
And then we say "Jesus Christ, Jesus Christ, Jesus Christ  
Buy us some time, buy us some time"  
Hear what I'm saying  
Can you hear what I'm saying?  
Can you hear what I'm saying?  
Can you hear what I'm saying?It's gonna be alright
