The Fool

Dead Soul

Held my head high, were so proud
Shared my truth way too loundPreached a gospel built on lies
Was the opposite of wiseHow could I be
Such a fool, such a fool
That's what I am
Such a fool, such a fool
That's what I am
How could I be
Had the whole world in my hand
Everything has turned to sandFrom the cradle to the grave
Always took more than I gaveHow could I be
Such a fool, such a fool
That's what I am
Such a fool, such a fool
That's what I am
How could I beSuch a fool, such a fool
That's what I am
Such a fool, such a fool
That's what I am
How could I be
Such a fool, such a fool
That's what I am
Such a fool, such a fool
That's what I am
How could I be
