

# Who Wrote Holden Caulfield?

## Green Day

A thought burst in my head and I need to tell you  
It's news that I for thought  
Was it just a dream that happened long ago?  
I think I just forgot Well it hasn't been the first time  
And it sure does drive me mad That's when I say  
There's a boy who fogs his world and now he's getting lazy  
There's no motivation and frustration makes him crazy  
He makes a plan to take a stand but always ends up sitting  
Someone help him up or he's gonna end up quitting I shuffle through my mind to see if I can find  
The words I left behind

Was it just a dream that happened long ago?  
Oh well, never mind Well it hasn't been the first time  
And it sure does drive me mad And when I say  
There's a boy who fogs his world and now he's getting lazy  
There's no motivation and frustration makes him crazy  
He makes a plan to take a stand but always ends up sitting  
Someone help him up or he's gonna end up quitting When I say  
There's a boy who fogs his world and now he's getting lazy  
There's no motivation and frustration makes him crazy  
He makes a plan to take a stand but always ends up sitting  
Someone help him up or he's gonna end up quitting There's a boy who fogs his world and now he's getting lazy  
There's no motivation and frustration makes him crazy  
He makes a plan to take a stand but always ends up sitting  
Someone help him up or he's gonna end up quitting
