I Remember You

Skid Row

Woke up to the sound of pouring rain
The wind would whisper and I'd think of you
And all the tears you cried, that called my name
And when you needed me I came throughI paint a picture of the days gone by
When love went blind and you would make me see
I'd stare a lifetime into your eyes

So that I knew you were there for me

Time after time you were there for meRemember yesterday, walking hand in hand Love letters in the sand, I remember you

Through the sleepless nights and every endless day

I'd wanna hear you say, I remember youWe spend the summer with the top rolled down Wished ever after would be like this

You said I love you babe, without a sound I said I'd give my life for just one kiss

I'd live for your smile and die for your kissRemember yesterday, walking hand in hand Love letters in the sand, I remember you

Through the sleepless nights and every endless day
I'd wanna hear you say, I remember youWe've had our share of hard times
But that's the price we paid

And through it all we kept the promise that we made I swear you'll never be lonelyWoke up to the sound of pouring rain

Washed away a dream of you

But nothing else could ever take you away

'Cause you'll always be my dream come true

Oh my darling, I love youRemember yesterday, walking hand in hand

Love letters in the sand, I remember you

Through the sleepless nights and every endless day

I'd wanna hear you say, I remember youRemember yesterday, walking hand in hand

Love letters in the sand, I remember you

Through the sleepless nights and every endless day I'd wanna hear you say, I remember you
