

# Council Flat Blues

## Eagulls

Two plaid mix  
Dozens lying on the floor  
And the dog keeps on crying  
someone's knocking on the wall  
It's theatrical to watch  
Except my fire is going to spread  
It's the council flat blues  
Don't require baby steps Who put the spots on the dead dalmatian  
And who ended it's life  
I'd love to answer  
But when someone's not there  
Doesn't matter who keeps talking  
doesn't listen doesn't care  
Who put the shoes by the side of motorway  
And where the fuck is the right  
Jigsaw puzzle cars waste their game of life  
It's free across the six now but some thing's not right We'll have to guess  
we'll have to guess  
We'll have to guess It was a two plaid mix  
Dozens lying on the floor  
And the dog keeps on crying  
someone's knocking on the wall  
It's theatrical to watch  
Except my fire is going to spread  
It's the council flat blues  
Don't require baby steps  
We're not looking for council flat blues  
We don't know why we're crying and we don't know what to do  
But we're not looking for the council flat blues  
We don't know why we're crying and we don't know what to do We'll have to guess  
we'll have to guess  
We'll have to guess  
We'll have to guess  
we'll have to guess  
We'll have to guess  
We'll have to guess  
we'll have to guess
