

You Don't Do It For Me Anymore

[Demi Lovato](#)

I see the future without you
The hell was I doing in the past?
Now that I've learnt all about you
A love just like ours wouldn't last I won't fall for your games
So don't hate me when I say That you don't do it for me anymore
No, you don't do it for me anymore Money won't pay for your problems
You gotta fix them yourself
Vices and pity won't solve 'em
Stop feeling bad for yourself
I won't fall for your games
So don't hate me when I say That you don't do it for me anymore
No, you don't do it for me anymore I'm sorry for honesty
I could not bear to lie to you, to lie with you
I'm sorry for honesty
I'm well aware I lied to you when I lied with you
You don't do it for me anymore
No, you don't do it for me, don't do it for me
You don't do it for me anymore
No, you don't do it for me anymore
