

Milkman

The Merseybeats

Dont dare might have some nerve
My time is blazing . I am disparate
 I am disparate
 I am disparate
 With your eyes
 He is my milkman
 He is . got a symptom
 I am disparate
 I am disparate
 I am disparate
 I am disparate
I am disparateI am disparate
 I am disparate
 I am disparate
 . morning he comes
Eyes can see through
 There is hole
 . gives it to you
 I can see it .
