This Pretty Face

Amy Macdonald

I don't care
Who does her hair or
What clothes she wears
I don't care if it's YSL. I don't care if it's Chanel
What matters to me is a strong belief
All this beauty is skin deep
Don't care about hair, don't care about eyes
It's about what's insideYou'll never know who you'll meet on you way to the top
You'll probably see them again when your fame starts to drop
Down down, I'll meet you on the ground
It's no good with your hair and your shiny blue eyes
It's no good when you finally start to realize
I need something more
This pretty face don't work no moreWhat happened to achieving
What happened to believing in yourself
Why listen to the musings of someone, somebody else
I'm sorry I don't see and I can't quite believe it anymore
What happened to believing that beauty's in the eye of the beholderYou'll never know who you'll meet on you way to the top
You'll probably see them again when your fame starts to drop
Down down, I'll meet you on the ground
It's no good with your hair and your shiny blue eyes
It's no good when you finally start to realize
I need something more
This pretty face don't work no more
