

# Lovely Affair

## Shola Ama

If you believe and I believe  
A little love is all we need  
Erase your fear and lose your doubt  
The world of love will work it outIf you believe and I believe  
A little love is all we need  
Erase your fear and lose your doubt  
The world of love will work it outNever thought Id feel something so unreal  
Got me going crazy over you  
Itchin' just to steal, just a kiss or two  
Deliver me a piece of you, youIf you believe and I believe  
A little love is all we need, if you believe  
Erase your fear and lose your doubt  
The world of love will work it out, like I believeIf you believe and I believe  
A little love is all we need  
A little love is all we need  
Erase your fear and lose your doubt  
The world of love will work it outWhat a lovely affair, just a lovely affair  
What a lovely affair, just a lovely affair  
What a lovely affair, just a lovely affair  
What a lovely affair, just a lovely affairWatchin' over you just like angels do  
Holding on for dear life to my precious jewel  
A promise meant to be, a love I will envy  
Because its cool, my love affair with youIf you believe and I believe  
A little love is all we need  
Love is all we need  
Erase your fear and lose your doubt  
The world of love will work it outIf you believe and I believe  
A little love is all we need  
Erase your fear and lose your doubt  
The world of love will work it outWhat a lovely affair, nothing can compare  
Just a lovely affair, what a lovely affair  
Ooh, just a lovely affair  
What a lovely affair, just a lovely affair  
What a lovely affair, just a lovely affairLove's gonna work it out  
Love's gonna work it out  
Love's gonna work it out  
Love's gonna work it outLove's gonna work it out  
Love is such an easy thing  
Love's gonna work it out

Love's gonna work it outGives you such a good feeling

Love's gonna work it out

Love's gonna work it out

Ooh, what a lovely affair

What a lovely affair, just a lovely affairFeels so good, so good, so good

What a lovely affair, just a lovely affair

What a lovely, lovely affair

What a love, what a love, what a love affairA lovely affair, what a lovely, lovely affair

What a love, what a love, what a love affair

Feel so good, what a lovely, lovely affair

What a love, what a love, what a love affair
