

# It's All Over (feat. Roo Savill)

Adam Skinner & Dan Skinner & Dave James

We had it all  
Every moment was painted in gold  
We were made  
And the world was ours  
Untouchable souls  
Living life on the edge  
No regrets, no control  
Dying, oh so young

Nothing is real  
Nothing to fear  
Just burn like a flame  
And go out

Oh, where did it all go wrong?  
Didn't we have it all?  
Now it's all gone  
Oh, it was the perfect dream  
Nothing we couldn't be  
But it's all over now

Look at us now  
What a waste, what a crime  
How could we fall so far?  
Cause the world was ours

We paid for the price  
Can hold us together no more  
Now it's all come crashing down

Nothing is real  
Nothing to fear  
Just burn like a flame  
And go out

Oh, where did it all go wrong?  
Didn't we have it all?  
Now it's all gone  
Oh, it was the perfect dream  
Nothing we couldn't be

But it's all over now

Now

Oh, where did it all go wrong?

Didn't we have it all?

Now it's all gone

Oh, it was the perfect dream

Nothing we couldn't be

But it's all over now
