

Let's Talk About Me

The Alan Parsons Project

Let's talk about me for a minute
Well how do you think
I feel about what's been going on
Let's talk about me for a minute
Well how do you think
I feel about what's gone wrongLet's talk about dreams
I never learned to read the signs
Let's think about what it all means
I never seem to have the timeLet's talk about you and your problems
All that I seem to do is spend the night
Just talking 'bout you and your problems
No matter what I say I can't get it rightDon't think about dreams
Is it all a waste of time
Don't think about what it all means
If you are a friend of mineTalk about me, for a minute
I'm the one who's losing
Talk about me, for a minute
I'm the one who's always losing outAnd how do you think
I feel about what's been going on
Let's talk about me for a minute
Well how do you think
I feel about what's gone wrongLet's think about dreams
We never seem to have the time
Let's talk about what it all means
You are a friend of mineLet's talk about me
I'm the one who's losing out
I'm the one who's losing out
I'm the one who's losing out, losing outTalk about me, for a minute
I'm the one who's losing
Talk about me, for a minute
I'm the one who's always losing outI'm the one who's losing out
I'm the one who's losing out
I'm the one who's losing out, losing outTalk about me, for a minute
I'm the one who's losing
Talk about me, for a minute
I'm the one who's losing outLet's talk about me, for a minute
I'm the one who's losing
Talk about me, for a minute
I'm the one who's losing
