

# Never Going Home

Hazel English

I'm drawn in  
Etched into this  
It's part of me  
It's under my skin  
And I'm addicted tonight There is no wait  
I've got to satiate  
This burning feeling in my throat  
I'm not playing it safe  
And it's getting late Wasted on this feeling  
Helpless to this call Never going home again  
Turn the lights out when you're leaving  
Never going home again  
Don't wait up for me I'm not leaving Falling in  
Inch by inch  
I'm not resisting  
And I'm addicted tonight There is no wait  
I've got to satiate  
This burning feeling in my throat  
I'm not playing it safe  
And it's getting late Wasted on this feeling  
Helpless to this call Never going home again  
Turn the lights out when you're leaving  
Never going home again  
Don't wait up for me  
I'm not leaving Falling in  
Inch by inch  
I'm not resisting  
And I'm addicted tonight  
Falling in  
Inch by inch  
I'm not resisting  
And I'm addicted tonight Think I'm getting closer Never going home again  
Turn the lights out when you're leaving  
Never going home again  
Don't wait up for me  
I'm not leaving
