She Cries

C21

I've been trying to believe
I've been trying but it's overShe's been hoping for
that you will find your love againI'm flying paperplanes
With all the letters she writesWhy don't you realize now
That everytime you break itShe cries
Haven't been around to see her
All night
Haven't been around to hold her
I try but she cries
Haven't been around to tell her
That i try the best that i canWords dont change the way i feel
Dont deny it to be betterShes been cloce to me
And i dont wanna lose a friendI've been looking for a way
To say im sorryShe's been waiting for you
But everytime your goneShe cries
Haven't been around to see her
All night
Haven't been around to hold her
I try but she cries
Haven't been around to tell her
That i try the best that i canYou dont wanna make it stop
I think i have seen enough
Things have just been way to rough
Tired of the same old bluff
I dont wanna make you cry
I just wanna say goodbye
I dont need your seek and hide
Living on the same old lieShe cries
Haven't been around to see her
All night
Haven't been around to hold her
I try but she cries
Haven't been around to tell her
That i try the best that i can
