

# She Cries

## C21

I've been trying to believe  
I've been trying but it's overShe's been hoping for  
that you will find your love againI'm flying paperplanes  
With all the letters she writesWhy don't you realize now  
That everytime you break itShe cries  
Haven't been around to see her  
All night  
Haven't been around to hold her  
I try but she cries  
Haven't been around to tell her  
That i try the best that i canWords dont change the way i feel  
Dont deny it to be betterShes been cloce to me  
And i dont wanna lose a friendI've been looking for a way  
To say im sorryShe's been waiting for you  
But everytime your goneShe cries  
Haven't been around to see her  
All night  
Haven't been around to hold her  
I try but she cries  
Haven't been around to tell her  
That i try the best that i canYou dont wanna make it stop  
I think i have seen enough  
Things have just been way to rough  
Tired of the same old bluff  
I dont wanna make you cry  
I just wanna say goodbye  
I dont need your seek and hide  
Living on the same old lieShe cries  
Haven't been around to see her  
All night  
Haven't been around to hold her  
I try but she cries  
Haven't been around to tell her  
That i try the best that i can
