Brand New Start

Paul Weller

I'm gonna clear out my head
I'm gonna get myself straight
I know it's never too late
To make a brand new startI'm gonna kick down the door
I'm gonna get myself in
I'm gonna fix up the yard
And not fall back againI'm gonna clear up my earth
And build a heaven on the ground
Not something distant an' unfound
But something real to me
But something real to meAll that I can I can be
All that I am I can see
All that is mine is in my hands
So to myself I callThere's somewhere else I should be
There's someone else I can see
There's something more I can find
It's only up to meI'm gonna clean up my earth
And build a heaven on the ground
Not something distant an' unfound
But something real to me
But something real to meI'm gonna clean up my head
I'm gonna get myself straight
I feel it's never too late
To make a brand new start
To make a brand new start
To make a brand new start
