

Can't Let Go

[Mariah Carey](#)

There you are holding her hand
I am lost
Dying to understand
Didn't I cherish you right
Don't you know you were my life Even though I try I can't let go
Something in your eyes
Captured my soul
And every night I see you in my dreams
You're all I know
I can't let go Just cast aside
You don't even know I'm alive
You just walk on by
Don't care to see me cry
And here I am
Still holding on
I can't accept
My world is gone, no no Even though I try I can't let go
Something in your eyes
Captured my soul
And every night I see you in my dreams
You're all I know
I can't let go Do you even realize the sorrow I have inside
Everyday of my life
Do you know the way it feels
When all you have just dies
I try and try to deny that I need you
But still you remain on my mind No I just can't get you out of my mind
I never can say goodbye
'Cause every night
I see you in my dreams You're all I know
I can't let you go
Even though I try
I can't let go, of something I need so badly
You're all I know
I can't let go
