

Take It Easy

Hopeton Lewis

Take your time, take your time, take your time
No need to hurry
Take it easy, take it easy, take it easy
No need to hurryNo slippin', no slidin', no bumpin', no borin'
I want a ride into town
If you fall from the race, it's no disgrace
Just pick yourself from off the groundTake your time, take your time, take your time
No need to 'urry, no no no
Take it easy, take it easy, take it easy, take it easy
No need to hurryFor the road is rough
And don't you, don't you, ever get stuck
Take your time, take it easy, take your time
No need to hurry, uhTake it easy, take it easy, take it easy
No need to hurry
Take your time, take your time, take your time
No need to worryNo slippin', no slidin', no bumpin', no borin'
I want a ride into town
If you fall from the race, it's no disgrace
Just pick yourself from off the groundAn' take your time, take your time, take your time
No need to hurry, no no no
Take it easy, take it easy, take it easy, take it easy
No need to hurry, oh whoaTake your time now, take your time, take your time, take your time
No need to hurry
For the road is rough
And don't you, don't you, ever get stuck
Take your time, take your time, take your time
