

# Just a Dream

## Slim Smith

I was thinking bout her, thinkin' bout me  
Thinkin' bout us, what we gon' be  
Open my eyes yeah, it was only Just A Dream  
So I traveled back, down that road  
Will she come back, no one knows  
I realize yeah, it was only Just A Dream  
I was at the top and now its like I'm in the basement  
Number one spot and now she find her a replacement  
I swear now I can't take it, knowing somebody's got my baby  
And now you ain't around baby I can't think  
I should've put it down, should've got the ring  
Cause I can still feel it in the air  
See her pretty face run my fingers through her hair  
My lover, my life, my shawty, my wife  
She left me, I'm tied  
Cause I knew that it just ain't right  
When I be ridin' man I swear I see her face at every turn  
Tryna get my Usher on but I can't let it Burn  
And I just hopes she know that she the only one I yearn for  
More and more I miss her, when will I learn  
Didn't give her all my love, I guess now I got my payback  
Now I'm in the club thinking all about my baby  
Hey, she was so easy to love  
But wait, I guess that love wasn't enough  
I'm going through it every time that I'm alone  
And now I'm missing, wishing she'd pick up the phone  
But she made the decision that she wanted to move on  
Cause I was wrong  
If you ever loved somebody put your hands up  
If you ever loved somebody put your hands up  
And now they're gone and you're wishing you could give them everything  
Said if you ever loved somebody put your hands up  
If you ever loved somebody put your hands up  
Now they're gone and you're wishing you could give them everything
