

Wake Up Hate

Slightly Stoopid

Wake up late

Wake up late

Wake up late

Wake up late

Said wake up late late afternoon

I said wake up late too late for school

I say my daddy always said go get a job

Mommy always said i am a slob

I said oh oh oh

Tell me now

Oh oh oh

Tell me now

Oh oh oh

Wake up late

Wake up late

Wake up late

Wake up late

I say

Come a come a come a come a come a care

I said ah can i tell ya baby what a time of year

We say ah headed for the bottle wanna drink some booze

Wake up in the morning gonna hit the snooze

Said oh oh oh

Oh oh oh

Tell me now

Oh oh oh

Tell me now

Oh oh oh

Wake up late

Wake up late

Wake up late

Wake up late

Say come a come a come a come a come a care

I say can i tell ya baby what a time of year

We say I headed for the bottle wanna drink some booze

Wake up in the morning gonna hit the snooze

Said oh oh oh

Oh oh oh

Tell me now

Oh oh oh
Oh oh oh
Wake up late
Wake up late
Cmon
Wake up late
Wake up late
C'mon people all say now
Wake up late
Wake up late
Wake up late
Wake up late
Oh oh oh
Oh oh oh
Tell me now
Oh oh oh
Tell me now
Wake up late!
