

# Pussi Kiss

Cherylyn Barnes

(Chorus)

I'm pussi kiss,  
I'm pussi kiss,  
I'm pussi kiss to feel your love,  
I'm pussi kiss to feel your love.

The harder they kick,  
The harder I fall,  
I'm screaming out,  
Help me now (now),  
They kick me down,  
Kick me hard,  
I'm crying out (crying out),  
I'm Cherylyn Barnes,

Oh it's getting harder,  
Only getting smarter,  
They always try to put me down,  
Pussi Kiss my angels,  
Pussi Kiss my gay guys... now.

(Chorus) x 2

I'm pussi kiss,  
I'm pussi kiss,  
I'm pussi kiss to feel your love,  
I'm pussi kiss to feel your love.

You're in the dark,  
I know you're there,  
Staring at me,  
Looking me up and down (up and down),  
They scream at me to kill myself,  
They want me dead,  
They want it bad,  
I'm Cherylyn Barnes !

Oh it's getting harder,  
Only getting smarter,  
They always try to put me down,  
Pussi Kiss my angels,

Pussi Kiss my gay guys... now.

(Chorus) x 2

I'm pussi kiss,

I'm pussi kiss,

I'm pussi kiss to feel your love,

I'm pussi kiss to feel your love.

I know that you've been watching me,  
Did you know that I've been watching you,

\*unintelligible\*,

\*unintelligible\*,

You should give me the chance to make love to you.

Chorus) x 2

I'm pussi kiss,

I'm pussi kiss,

I'm pussi kiss to feel your love,

I'm pussi kiss to feel your love.

Yeah x 7,

I'm gonna pussi kiss you,

I'm gonna pussi kiss you,

I'm gonna pussi kiss you,

All night long. x 4
