You Put This Love In My Heart

Keith Green

I found it hard to believe
Someone like you cared for me
You put this love in my heart
I tried but could not refuse
You gave me no time to choose
You put this love in my heartI want to know where the bad feelings go
When I'm depressed and I get down so low
And then I see you coming to me and it's alrightI want to tell you right now
I'm not afraid to say how
You put this love in my heart
There are sometimes when I doubt
But you always find me out
You put this love in my heart'Cause when I see all that you've done for me
It's hard to doubt, I just have to believe
'Cause you followed and proved it all of your lifeWell I know
The loneliness I had before
Is gone now
I'll never feel it anymore'Cause your love has released me
From all that's in my past and I know I can believe you
When you say I'll never be forsaken
Your love is gonna lastThere's so much more I should say
If I could just find a way
You put this love in my heart
Is all this real or a dream
I feel so good I could scream
You put this love in my heartI want to know where the bad feelings go
When I'm depressed and I get down so low
And then I see you coming to me and it's alrightYou put this love in my heart
You put this love in my heart
You put this love in my heart
