Dumb

Jamie McDell

Iâ€™m heading down this road,
I might not know which way to go
But thatâ€™s ok, Iâ€™m just young & dumb!
I wear my shoes a little bigger,
I fall for all your dirty tricks
Itâ€™s fine, Iâ€™m just young & dumb!

Missy, come and catch me if you can
And wrap me â€™round my hips and letâ€™s just dance
Missed a shooting arrow through my heart
Come on, letâ€™s take this way too far

I get away with anything
Iâ€™ll rob your heart with just a wink and run
Iâ€™m just young & dumb!

Running off this road,
Crash right off the bridge
We only got one life to live!
Before we get too old,
Take your memories, all that youâ€™ll have left to leave

Da ra ra ra ta ta
Da ra ra ra ta ta
Da ra ra ra ta ta
Da ra ra ra ta ta

Iâ€™m putting on a show
Forgetting what I shouldnâ€™t known
I beat my drums, â€™cause Iâ€™m young & dumb!
Iâ€™m a shooting cannonball, exploding everywhere I fall
You better run, â€™cause Iâ€™m young & dumb!

Missy, come and catch me if you can
And wrap me â€™round hips and letâ€™s just dance
Missed a shooting arrow through my heart
Come on, letâ€™s take this way too far

Iâ€™m standing with the gun
Iâ€™m counting down four, three, two, one

Tick-tock itâ€™s time, Iâ€™m just young & dumb!

Running off this road,
Crash right off the bridge
We only got one life to live!
Before we get too old,
Take your memories, all that youâ€™ll have left to leave

Running off this road,
Donâ€™t you rescue me,
I know your waterâ€™s testing me
I cross my way back home,
But itâ€™s all fun to me,
â€™cause walls are my worst enemy!

Da ra ra ra ta ta
Da ra ra ra ta ta
Da ra ra ra ta ta
Da ra ra ra ta ta
Da ra ra ra ta ta
Da ra ra ra ta ta
Da ra ra ra ta ta
Da ra ra ra ta ta

Now thereâ€™s blisters on my feet,
Big giant whole inside my dreams,
All for some fun, I was young & dumb!
