

# Unchain the Night (Re-Recorded)

## Dokken

I've been lost in the middle  
Always trying to find the wishin' well  
Runnin' 'round in circles  
Never crossing the lineDon't wanna to touch you  
Don't want to see  
You've got a knife in your heart  
Don't say that you did it for meNever unchain the night  
Don't tell me that the love is gone  
Never unchain the night  
'Cause there's always another turnYou know right where you want it  
But you never gave it in return  
Runnin' me in circles  
Always crossing the lineDon't want to touch you  
Leave you confused  
You took the easy way out  
When you looked through the eyes of a foolNever unchain the night  
Don't tell me that the love is gone  
Never unchain the night  
'Cause there's always another turnNever unchain the night  
Don't tell me that the love is gone  
Never unchain the night  
'Cause there's always another turnNever, never, never, neverNever unchain the night  
Don't tell me that the love is gone  
Never unchain the night  
I'm never gonna set you freeNever unchain the night  
Don't tell me that the love is gone  
Never unchain the night  
'Cause there's always another turnNever unchain the night  
Don't tell me that the love is gone  
Never unchain the night  
I'm never gonna set you freeNever unchain the night  
Don't tell me that the love is gone  
Never unchain the night  
'Cause I'm never gonna set you free
