Don't Let It Fade Away

[Fleming & John](#)

Don't let it fade away
Be strong enough to tell me goodbye
Don't let it fade away
Just because you don't wanna see me cry
If it's over now, I'll be okay
Just don't let it fade awayYou keep me dangling
From a string you cannot sever
It's time to end all indecision
Curiosity is killing meDon't let it fade away
Be strong enough to tell me goodbye
Don't let it fade away
Just because you don't wanna see me cry
If it's over now, I'll be okay
Just don't let it fade awayLook me in the eye
And tell me you don't love me
Put me out of my misery
Your silence is giving me too much hopeDon't let it fade away
Be strong enough to tell me goodbye
Don't let it fade away
Just because you don't wanna see me cry
If it's over now, I'll be okay
Just don't let it fade awayDon't let it fade away
Be strong enough to tell me goodbye
Don't let it fade away
Just because you don't wanna see me cry
If it's over now, I'll be okay
Just don't let it fade
