You Will Never Walk Alone

Point Of Grace

Along life's road there will be sunshine and rain
Roses and thorns, laughter and pain
And 'cross the miles, you will face mountains so steep
Deserts so long and valleys so deepSometimes the journey's gentle
Sometimes the cold winds blow

But I want you to remember, I want you to knowYou will never walk alone as long as you have faith

Jesus will be right beside you all the way

And you may feel you're far from home but home is where He is
And He'll be there down every road, you will never walk alone
Never, no, neverThe path will wind, you will find wonders and fears
Labors of love and a few falling tears

Across the years there will be some twists and turns

Mistakes to make and lessons to learnSometimes the journey's gentle

Sometimes the cold winds blow

But I want you to remember wherever you may goYou will never walk alone as long as you have faith

Jesus will be right beside you all the way

And you may feel you're far from home but home is where He is And He'll be there down every road, you will never walk aloneJesus knows your joy, Jesus knows your need He will go the distance with you faithfullyYou will never walk alone

He will be right beside you all the way
And you may feel you're far from home
He'll be there down every roadYou will never walk alone as long as you have faith
Jesus will be right beside you all the way
And you may feel you're far from home but home is where He is
And He'll be there down every road, you will never walk alone
Never, no, never, you'll never, oh you'll never
Never walk alone
