

Union of the Snake (2010 Remaster)

Duran Duran

Telegram force and ready
I knew this was a big mistake
There's a fine line drawing
My senses together
And I think it's about to break
If I listen close I can hear them singers, ohVoices in your body coming through on the radio
The union of the snake is on the climb
Moving up it's gonna race it's gonna break
Through the borderlineNightshades on a warning
Give me strength at least give me a light
Give me anything even sympathy
There's a chance you could be right
If I listen close I can hear them singers, ohVoices in your body coming through on the radio
The union of the snake is on the climb
Moving up it's gonna race it's gonna break
Through the borderlineThe union of the snake is on the climb
Moving up it's gonna race it's gonna break
Through the borderlineIf I listen close I can hear them singers, oh
Voices in your body coming through on the radio
The union of the snake is on the climb
Moving up it's gonna race it's gonna break
Through the borderlineThe union of the snake is on the climb
It's gonna race, it's gonna break, it's gonna move up
Through the borderlineThe union of the snake is on the climb
Moving up it's gonna race it's gonna break
Through the borderlineThe union of the snake is on the climb
It's gonna race, it's gonna break, it's gonna move up
To the borderline
