

Spring Can Really Hang You up the Most

[Rickie Lee Jones](#)

Spring this year has got me feeling
Like a horse that never left the post
I lie in my room staring up at the ceiling
Spring can really hang you up the most
Morning's kiss wakes trees and flowers
And to them I'd like to drink a toast
I walk in the park just to kill the lonely hours
Spring can really hang you up the most
All with a love the birds twitter-twitt
I know this girl, this is love, this is it
Heard it before and I know the score
And I've decided that spring is a bore
Love seemed sure around the new year
Now it's April love is just a ghost
Spring arrived on time, only what became of you, dear
Spring can really hang you up the most
Doctors once prescribes a tonic
Sulfur and molasses was the dose
But that doesn't didn't help one bit
My condition must be chronic
Spring can really hang you up the most
All alone, the party is over
Old man winter was a gracious host
But when you keep praying for snow to hide the clover
Spring can really hang you up the most
