

Let Go (feat. Kele & MNDR) (Krystal Klear Remix)

[RAC](#)

(You are golden, you are pure) Tell me, tell me, tell me your problems
I'm here for you
Just try, just try, just try to stay sober
It's eating you
And they say you are a monster, but what I see's a child
Your eyes, your eyes are glowing red
And your tongue has caught on fire (You are golden, you are pure) So let go, let go of your fire
Let it go, let go of your fire
Live it up 'til we crash and there's smoke in the air
Let it go, let go of your fire You play, you play, you play up to them
But they're not around
Don't be, don't be so rough with me
When you are a gem And they ask how I can love you, when all they see is this
But I see the things that you can't contain and what it does to you So let go, let go of your fire
Let it go, let go of your fire
Live it up 'til we crash and there's smoke in the air
Let it go, let go of your fire Let go, let go of your fire
Let it go, let go of your fire
Live it up 'til we crash and there's smoke in the air
Let it go, let go of your fire (You are golden, you are pure) So let go, let go of your fire
Let it go, let go of your fire
Live it up 'til we crash and there's smoke in the air
Let it go, let go of your fire Let go, let go of your fire
Let it go, let go of your fire
Live it up 'til we crash and there's smoke in the air
Let it go, let go of your fire
