

# You're Nobody Till Somebody Loves You

[Jamie Cullum](#)

You're nobody till somebody loves you

You're nobody till somebody cares You may be king, you may possess the world and it's gold

Gold won't bring you happiness when you're growing old The world isn't the same, you'll never change it

As sure as the sun shines above you You're nobody till somebody loves you

So find yourself somebody to love You're nobody till somebody loves you

You're nobody till somebody cares You may be king, you may possess the world and it's gold

But gold won't bring you happiness when you're growing old The world isn't the same, you'll never change it

As sure as the sun shines above you You're nobody till somebody loves you

So find yourself somebody

You don't need just anybody

Find yourself somebody to love
