

Blues

UK Subs

The more I try, the harder it gets with you
Up day and night and day but I still don't have a clue I need another blue [x3]
To get through to you If someone told me that you'd be here
I die of fright or freeze in fear I need another blue [x3]
To get through to you When I come down to your side of town
I always get a buzz just knowing you're around
I need another blue [x3]

Oh
