

4ever

The Veronicas

Here we are so whatch ya gonna do?
Do i gatta spell it out for you?
i can see that you've got other plans for tonight, but i don't really care
size me up, you know i beat the best
Tick Tock no time to rest,
let them say what they gonna say, but tonight i just don't really care

Come on baby we ain't gonna live forever,
let me show you all the things that we could do
you know you wanna be together, and i wanna spend the night with you
yeah yeah with you (oo) yeah yeah
come with me tonight we can make the night last forever
(oh oh)

I seen it all i've got nothing to prove
come on baby just make your move
follow me, lets leave it all behind tonight like we just don't care
let me take you on the ride of your life
that's what i said alright
they can say what they wanna say cuz tonight i just don't even care

Come on baby we ain't gonna live forever,
let me show you all the things that we could do
you know you wanna be together, and i wanna spend the night with you
yeah yeah, with you (oo) yeah yeah
come with me tonight we can make the night last forever
(oh oh)

Lets pretend your mine,
we can just pretend, we can just pretend yeah yeah
you got what i like
you got what i like, i got what you like
ohh come on just one taste and you'll want more
So Tell Me What You're Waiting For?

Come on baby we ain't gonna live forever,
let me show you all the things that we could do
you know you wanna be together, and i wanna spend the night with you
yeah yeah, with you, yeah yeah

so come with me tonight
we can make the night last forever
(forever) come on baby we could live forever
let me show you all the things that we could do
you know you wanna be together,(toghether) and i wanna spend the night with you
yeah yeah, with you, yeah yeah

so come with me tonight
we can make the night last forever (forever)
(oh oh).
