

Give It Back

The Ting Tings

We say we're gonna leave this one hundred miles an hour
Be good if we could just stay but I don't know how
We say we're gonna jump ship a hundred times a day
I only got to know you and now we're on our way
We say we're gonna leave this, there's a fool on the road
We'll take what we've been missing before we have to go
This could have been perfection if we had a bit of sense
But we are the destroyers, and so we start it all again[CHORUS]
So give it back, give me back, give me back my hi-fi, hi-fi
Give me back my boots
Give me back, give me back, give me back my life, life
Give me back my roots
Give me back, give me back, give me back my name, name
Give it like you should
Give me back, give me back, give me back it all, all
I'd kill you if I couldWe said we'd never get here, you made my life misery
And when I wrote it down on paper you went and threw it in the sea
But I bet you made a copy, because you're dirtier than I
I should've taken off my glasses and seen the way that you lie[CHORUS]
So give it back, give me back, give me back my hi-fi, hi-fi
Give me back my boots
Give me back, give me back, give me back my life, life
Give me back my roots
Give me back, give me back, give me back my name, name
Give it like you should
Give me back, give me back, give me back it all, all
I'd kill you if I couldHey! Hey you!
Hey! Yeah you!Oh, you know, you make me blow fire, fire
[repeated 6x]Keep this up, I'll take you to the woods
