Monster (Semothy Jones Remix)

Meg Myers

I gotta know that your heart beats fast and
I gotta know I'm the only one for you
what have I become?
I'm a fucking monster
when all I wanted was something beautifulmy love, too much
your love, not enough
my love, too much
your loveOh, what it takes out of me to lay by your side
Oh, well it aches and it aches
you make me wanna die
I gotta kill you, my love
I gotta kill you, my love
Oh, what it takes out of me to lay by your sideYou said forever, now you look right through me
you said forever, did your words fall short like you?
what have I done?
I'm a fucking monster
when all I wanted was something beautifulmy love, too much
your love, not enough
my love, too much
your love...Oh, what it takes out of me to lay by your side
Oh, well it aches and it aches
you make me wanna die
I gotta kill you, my love
I gotta kill you, my love
Oh, what it takes out of me to lay by your sidemy love, too much
your love, not enough
my love, too much
your love...
