

# Paradise By The Dashboard Light

## Glee Cast

I remember every little thing  
As if it happened only yesterday  
Parking by the lake  
And there was not another car in sight  
And I never had a girl  
Looking any better than you did  
And all the kids at school  
They were wishing they were me that night

And now our bodies are oh so close and tight  
It never felt so good, it never felt so right

And we're glowing like the metal on the edge of a knife  
Glowing like the metal on the edge of a knife

C'mon, hold tight  
C'mon, hold tight

Though it's cold and lonely in the deep dark night  
I can see paradise by the dashboard light  
Though it's cold and lonely in the deep dark night (deep dark night)

In the deep dark night  
Paradise by  
The dashboard light

We're gonna go all the way tonight  
We're gonna go all the way  
And tonight's the night

We're gonna go all the way tonight  
We're gonna go all the way  
And tonight's the night

We're gonna go all the way tonight  
We're gonna go all the way  
And tonight's the night

We're gonna go all the way tonight  
We're gonna go all the way

And tonight's the night

(Night) Stop right there!

I gotta know right now  
Before we go any further

Do you love me  
Will you love me forever

Do you need me  
Will you never leave me  
Will you make me so happy for the rest of my life  
Will you take me away  
And will you make me your wife

Let me sleep on it (Sleep on it)  
Baby, baby let me sleep on it (Sleep on it)  
Let me sleep on it  
And I'll give you an answer in the morning

I gotta know right now!  
Do you love me (Do you, do you love me)  
Will you love me forever  
Do you need me (Do you, do you need me)  
Will you never leave me  
Will you make me so happy for the rest of my life  
(Do you never leave me)  
Will you take me away (Do you, do you)  
And will you make me your wife  
Do you love me  
And will you love me forever

Let me sleep on it  
Will you love me forever  
Let me sleep on it  
Will you love me forever

I couldn't take it any longer  
Lord I was crazed  
And when the feeling came upon me  
Like a tidal wave  
I started swearing to my god  
And on my mother's grave  
That I would love you to the end of time  
I swore I would love you to the end of time

So now I'm praying for the end of time  
To hurry up and arrive

'Cause if I gotta spend another minute with you  
I don't think that I can really survive  
I'll never break my promise or forget my vow

But God only knows what I can do right now

I'm praying for the end of time  
It's all that I can do (All that I can do!)  
Prayin' for the end of time  
So I can end my time with you! (You! Yeah!)

It was long ago and it was far away  
(It never felt so good, It never felt so right)  
And it was so much better than it is today.  
(And we were glowing like the metal on the edge of a knife)  
It was long ago and it was far away  
(It never felt so good, It never felt so right)  
And it was so much better than it is today.  
(And we were glowing like the metal on the edge of a knife)  
It was long ago and it was far away  
(It never felt so good, It never felt so right)  
And it was so much better than it is today.  
(And we were glowing like the metal on the edge of a knife)

Felt so right!  
Felt so good!  
Paradise!
