

# Dare (Soulwax Remix)

## Gorillaz

It's coming up, it's coming up  
It's coming up, it's coming up  
It's coming up, it's coming up  
It's dareIt's dareYou've got to press it on you  
You just think it  
That's what you do baby  
Hold it down dareJump with them all and move it  
Jump back and forth  
And feel like you were dare yourself  
To work it outNever did no harm, never did no harm  
It's dareIt's coming up, it's coming up  
It's coming up, it's coming up  
It's coming up  
It's dare  
It's dareYou've got to press it on you  
You just think it  
That's what you do, baby  
Hold it down dareJump with the moon and move it  
Jump back and forth  
It feels like you would dare yourself  
To work it outNever did no harm  
Never did no harm  
It's dareIt's coming up, it's coming up  
It's coming up, it's coming up  
It's coming up  
It's dareNever did no harm  
Never did no harm  
It's dareIt's coming up, it's coming up  
It's coming up, it's coming up  
It's coming up  
It's dareOhYou've got to press it on you  
You just think it  
That's what you do, baby  
Hold it down dareJump with the moon and move it  
Jump back and forth  
And feel like you would dare yourself  
To work it outYou've got to press it on you  
You just think it  
That's what you do, baby

Hold it down dareJump with them all and move it  
Jump back and forth  
It feels like you would dare yourself  
To work it out
